Trainer: Hanna Kociemska

Our **Spring Methodological Summit** is organized according to the International Week convention so **you will be asked to conduct 8 hours of classes** for our students from the following Study Programs in English:

- International Business
- Finance
- Management Accounting
- Business Informatics
- Business Management

FINANCIAL SUPPORT

The mobility can be founded by **Erasmus+ grant** from your home university. **There will be no extra fees** for workshops and networking but the City Tour will be paid by you.

Your expertise and contributions would significantly enhance the overall quality and diversity of discussions at the summit.

Your presence will undoubtedly contribute to the success of this event.
