

Burcin Bozkaya

Dr. Burcin Bozkaya earned his B.S. and M.S. degrees in Industrial Engineering at Bilkent University, Turkey and his Ph.D. in Management Science at the University of Alberta, Canada. He worked as a Senior Operations Research Analyst at ESRI, Inc., a California-based GIS software company, focusing on decision support algorithms and systems for transportation modeling and route optimization. Since 2004, Dr. Bozkaya is a full-time faculty member at Sabanci University School of Management and since 2013, he serves as the Associate Dean. He has scholarly publications in numerous international journals in the fields of location analysis, vehicle route planning and optimization, location-based services and (spatial) decision support systems. He has earned practice awards for implementing his research in industry projects. Since 2013, Dr. Bozkaya is an active researcher in the field of Big Data Analytics and currently serves as the Director of Behavioral Analytics & Visualization Lab, co-founded with MIT Media Lab at Sabanci University, as well as a Managing Partner at VisioThink, Inc. Dr. Bozkaya is a father of two and he enjoys playing instruments, hiking and long-distance running.
