

### Phronesis in Business Schools: Reflections on Teaching and Learning

Editors: **Wolfgang Amann**, *HEC Paris in Qatar*  
and **Jenson Goh**, *National University of Singapore*

A volume in **Research in Management Education and Development**  
*Series Editors: Agata Stachowicz-Stanusch, Silesian University of Technology*  
and **Wolfgang Amann, HEC Paris in Qatar**

The United Nations Principles of Responsible Management Education (PRME) initiative calls upon business school leaders and professors to significantly up their game. There is a need to enhance phronesis, i.e. wisdom, on how to effectively improve teaching and learning over time. This book gathers insights on self-management, next generation teaching as well as learning, and a business school's enhanced impact on graduates and society. It collects the rich experiences from a variety of international experts in order to support the learning journey of business school leaders and key faculty members.
