

World café: Envisioning the future of management education together

Moderator: **Virginijus Kundrotas**

CEEMAN Vice-President for Northern Europe, President of BMDA-Baltic Management Development Association, Lithuania and Dean of Adizes Graduate School, USA

World Cafe: Envisioning the future of management education together

Questions to be discussed:

- Changes in content of management education (programs, curriculum, etc)
- Changes in format of delivery (forms, methods, technologies, etc)
- Future faculty of management education (qualities, preparation, etc)
- Future cooperation of business management education providers (what alliances we need in order to succeed)

$$E \triangle = \begin{array}{c} \uparrow \\ \text{Perceived} \\ \text{Discomfort} \\ \text{From maintaining} \\ \text{The status quo} \end{array} - \begin{array}{c} \text{Perceived} \\ \text{Discomfort} \\ \text{From Change} \\ \downarrow \end{array}$$

Create $E \triangle$ by changing perceptions
