

## **Natalia Makayeva**

Natalia Makayeva is Deputy Director, Executive MBA Program Director at the IPM Business School.

She has a Master's degree in Business Administration from the Belarusian State University as well as managerial and consulting experiences.

Natalia joined IPM Business School in October 2011 after resignation from the position of MBA program director at SBMT BSU where she has been working since 2007. Natalia has begun her career in business education as teacher of Strategic Management course after 10-years' of managerial experience in American Jewish Joint Distribution Committee (AJJDC) Representation Office in Belarus on position of financial and administrative director. Since that she is wholly dedicated to developing the MBA program in accordance with international standards and as a result bringing new potential to developing business in Belarus. Natalia initiated the project for developing cases based on Belarusian reality and the published book was distributed in all Belarusian Universities as methodic manual.
