

Maciej Żukowski

Maciej Żukowski is Professor of Economics at the Poznań University of Economics in Poland, since 2008 he is Vice-Rector for Research and International Relations.

His research, mainly in comparative perspective, concerns public policy, mainly social security, labour market, international migration, education and European integration. His publications include books and articles, among others he was co-editor and co-author of the study: *Diversity and Commonality in European Social Policies: The Forging of a European Social Model*, eds. S. Golinowska, P. Hengstenberg, M. Żukowski, Wydawnictwo Naukowe Scholar, Friedrich Ebert Stiftung, Warsaw 2009, 427 pp.

He spent several years conducting research abroad, among others at the London School of Economics and, as a scholar of the Alexander-von-Humboldt Foundation, at the University of Bremen in Germany. He has participated in several international research projects.
