

# ACADEMIC MENTORING

Wroclaw University  
of Economics and Business

# Invitation for the academic mentoring

We are looking for mentors who would like to cooperate with Wroclaw University of Economics and Business scholars within the programme "International team-working".

# International team-working

Mentoring aims to support research teams and enhance research internationalisation.

The mentor is expected to support research teams within the following areas:

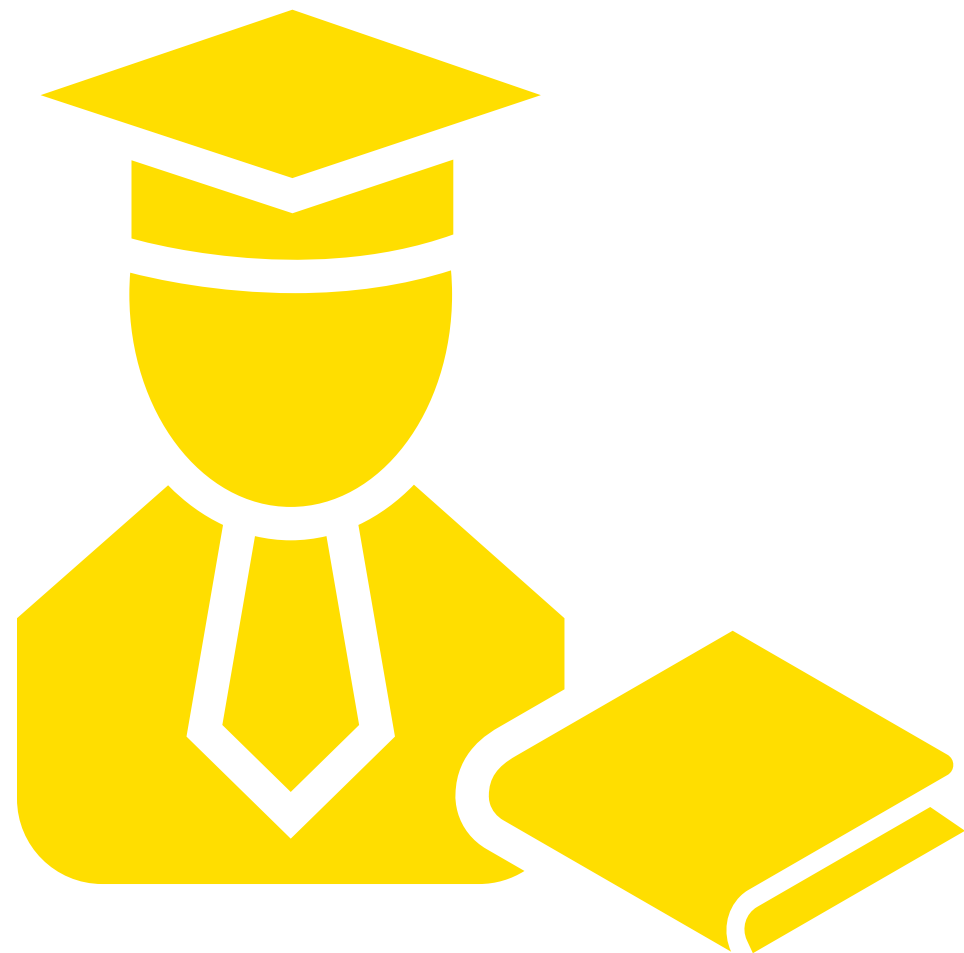

- preparing the paper to submit in top tier journals,
- preparing the paper to submit in ABS-AG/JCR journals,
- preparing to apply for an international grant,
- conducting research internationally.

The mentor can be the co-author of the supported publication and/or grant. Additionally, the work of the mentor will be gratified financially.

# Mentor profile of competency

Expected mentor competencies are as follows (*it is not necessary to meet all of them*):

- experience in cooperation with external scholars,
- co-author publications,
- co-author presentations in conferences/seminars,
- expertise in theoretical and methodological issues of the planned paper or grant application,
- papers published in ABS-AJG /JCR journals,
- reviews of papers submitted to ABS-AJG /JCR journals,
- reviews of monographs,
- the research results published in ABS-AJG /JCR journals,
- the research done in international teams,
- applying for/participating in/managing international grants.

# The mentoring project guidelines

**Project duration: 15 hours within max. ten months.**

Mentees and the mentor perform tasks following aims, schedule, and expected effects.

Mentees and the mentor regularly inform the project leader about the project's progress and complete the worksheets.

Mentees and the mentor meet systematically.

Mentees are expected to present the project results at academic seminars (two-three).

Within 21 days of the project completion, mentees are expected to report the project results (a report and worksheets).

# Schedule

30.05.22 - deadline for mentors to apply

01.06.22 - 20.06.22 - recruiting mentees

01.07.22 - announcement of recruitment results

# Contact

If one wants to become a mentor at the Wrocław University of Economics & Business, fill in a short questionnaire ([LINK](#)).
