Hidden Champions in Dynamically Changing Societies

Critical Success Factors for Market Leadership

- Identifies the development needs of hidden champions in terms of management, financing and the regulatory environment
- Features a unique selection of business and entrepreneurial experiences from diverse companies and countries
- Highlights the competitive advantages and core lessons learned on the path to success of highly successful SMEs

Hidden champions are highly successful small and medium-sized companies that are global leaders in terms of market share in their respective niches. Presenting the outcomes of an in-depth, multinational study on hidden champions in Central, Eastern, and Southeast Europe, Russia, China, Georgia, Mongolia and Turkey, this book provides essential insights into the critical drivers of success, market leadership positions, competitive advantage, and core lessons learned on the road to business prosperity. It also addresses development needs in connection with management, financing and the regulatory environment, which can in turn be used to create recommendations for various stakeholders (e.g. governments, financial institutions, management development institutions) in order to support hidden champions in their further growth and business success.
