

Pre-Conference Workshop:

CEEMAN Accreditation and Learning Outcomes

Wednesday, 19 September at 10:00 – 12:00

This pre-conference workshop will be run by higher education thought-partner, Peregrine Academic Services and shall explore how CEEMAN member schools can address key standards of CEEMAN's accreditation criteria, with particular reference to learning outcomes. Conference leaders will explore techniques to effectively map programs and module content to learning outcomes and how to efficiently measure and report learning outcomes and learning gains.

During this workshop Peregrine Academic Services will present best practices based on its global experiences in higher education.

Participants should come prepared to discuss learning outcomes, how they are addressed at their institution and to learn from others during this facilitated workshop.
